RISK WARNING & CONDITIONS OF ENTRY RISK WARNING

Harbour water swimming, even within a protected enclosure, can be a dangerous and risky activity and could result in your loss of life, injury or illness. The risks include, but are not limited to drowning; attack by sharks or stings by stingrays, bluebottles, jimbles or other marine life; polluted or contaminated water; hazardous sea or beach conditions; collision or physical contact with other swimmers, spectators, buoys, boats and other marine craft (particularly if any part of the Event is in navigable waters), submerged rocks or other objects; medical emergencies (e.g. heart attack, epileptic fit, cramp, collapse or hypothermia) and hazardous weather conditions, including lightning strikes.

CONDITIONS OF ENTRY

1. Your participation in any event (“Event”) conducted, sponsored or endorsed by SSC INC is **AT YOUR OWN RISK**. SSC INC takes no responsibility for your safety or health during any such Event. You acknowledge having read and understood the Risk Warning above and accept all risks of the Event
2. You must be a competent swimmer, in good health and fitness to participate. If you are not a competent swimmer you must be accompanied and supervised by a competent swimmer in the water. If you suffer from any medical condition, you must first consult your medical adviser before participating. You must not participate if you are under the influence of, or affected by, alcohol, drugs, medication or other substances.
3. While SSC INC might take precautions for the safety of participants, no lifeguard, medical attendant, patrol boat or other emergency assistance may be available to assist you if the need arises.
